BGIN

IKP WG

The IKP WG showcased its **AI Agent Governance Framework**—an agent system that bridges policy and technical implementation—at the webinar **"BGIN Agentic Framework: Archive, Codex and Discourse."**

With a presentation and interactive Q&A, the webinar attracted **40+ RSVPs** and sparked strong engagement, including thoughtful feedback on data provenance, evaluation, and contribution paths.

How to Get Involved (EDCON 2025 → BGIN Block #13)
- **Pre-EDCON (Sept):** join Discourse, attend prep workshops, help convert policy docs to machine-readable formats.
- **EDCON 2025 Osaka (Sept 16–19)**: hands-on agent builds, integration workshops, governance coordination testing.
- **BGIN Block #13, D.C. (Oct 15–17)**: join Agent Hack, team formation, policy implementation planning, framework testing.

Thank you to everyone who joined—your input directly shapes the roadmap to EDCON and Block #13.
👉 **For Inquries:** Feel free to **Join the Discourse** or contact **IKP WG Co-chair Mitchell Travers**

September IKP WG Meeting Schedule
- **September 11th, Thursday: 12:00 UTC**
- **September 25th, Thursday, 12:00 UTC**

FASE WG

The IKP WG ran a focused session to set pre–Block #13 deliverables.

📌 **Standards track:** Projects to finalize research plans at Block #13
- **Document #1 — Maturity definitions & assessment criteria:** aligned to Japan's FIEA timeline with international coordination in scope.
- **Document #2 — "Illicit Activities" dictionary:** expands beyond insider trading (builds on Block 10); scope/terms set at Block #13.

📊 **Reports track:**
- **Report #1 — Stablecoins:** present findings at Block #13
- **Report #2 — AI:** scoping underway

- **Process updates:** WG to draft problem statements and brief proposals, then shift to Discourse before Block #13.
